

Royal Naval Pre-school Learning Organisation is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. We provide early help through support working with local agencies to identify children and families who will benefit and, we undertake assessment of the early help needed and provide targeted services to address those needs

Comments, Concerns and Suggestions:

In all of our Jack and Jill's childcare provisions we welcome the opinions of parents/carers and other users to let us know what you think about our provisions, the staff and the care we give.

What could we do better? What do you like about our service and/or what would you like to see us do in the future? We would welcome any comments that you believe would improve the care we provide to yourselves as well as your children.

Please make your comments and/or suggestions in the space below. If you would like to leave your name then we can get back to you but it can also be completed anonymously. We will endeavour to address the issue to the best of our ability. Please be assured that we will take each suggestion, comment or concern seriously and act accordingly.

Thank you for your support.
